

THE GATHERING COMMUNITY
GORDON HEAD + VICTORIA + THE WORLD

Welcome to the Gathering

Today Pastor James Prette continues our study of the life of David with a look at chapters 2 through 4. Here David is surrounded by “boneheads” in the faith community. It is a fact of living in community that we need to forgive boneheads, and be forgiven our own boneheadedness.

(This morning's reading is Psalm 13)

Next Sunday

After service next week (February 14th) we invite you to stay and have a community light lunch hosted by the Fellowship Committee in Room 208. For more information contact the office.
